Switzerland Global Enterprise
Stampfenbachstrasse 85
8006 Zürich
Switzerland

Adriano Bürgi works as Regional Director Consulting Americas at Switzerland Global Enterprise. In this role, he leads the consulting team and the Swiss Business Hubs (Brazil, Canada, Chile, Mexico and USA) in the Americas region. Adriano Bürgi also acts as responsible person at Switzerland Global Enterprise for supporting Swiss companies entering and expanding in the Mexican market. Adriano Bürgi is also leading the sustainability initiatives of Switzerland Global Enterprise within its Export Promotion department, i.e. implementing measures to inform and support clients on internationally relevant sustainable themes. Before working for S-GE, Adriano Bürgi was active for other organizations on supporting innovative and impact driven startups thrive as business and in foreign markets. Adriano Bürgi also worked in the past as energy and climate change consultant, supporting multinationals on their climate strategy and reporting. Adriano Bürgi holds a master's degree in energy planning and a bachelor's degree in environmental engineering.
